Dear Parent/Guardian,

Please be advised that the State of Ohio Department of Education requires Oakstone Community School to inform you that you and your student must comply with the Ohio Revised Code related to attendance laws and testing laws for the 2025-2026 school year.

Attendance Laws:

Your child must not be absent for any reason, excused or unexcused more than 38 hours in a month, 65 or more hours in one school year, or they will meet the definition of chronic absenteeism. Furthermore, your child must not be absent 30 consecutive hours without an excuse, or they will be considered habitually truant and subsequent legal steps will be taken. If your child misses 72 consecutive hours of school, they will automatically be withdrawn to your home district of residence.

Testing Laws:

Your child is required by law to participate in all state mandated tests, as indicated by his/her IEP.

Sincerely,

Heather Kronewetter
Superintendent
