School Year 2021 - 2022

Annual performance framework (academic, fiscal, and organizational/operational) evaluation is considered using a five (5) point scale as found below. These ratings are holistic and consider the school's performance over multiple years/contract term.

The school's rating for individual components of the performance framework that summarizes the school's academic, fiscal, and organizational/operational record for multiple years and over the contract term will be attached to this report.

Due to the COVID 19 Pandemic not all accountability measures were available. Under appendix A - Flexibility During Periods of Declared Emergencies of the ESCCO Guidance Document, data available was used to inform the Annual Review Rubric.

All ESCCO/Community School Contracts have been extended due to the pandemic resulting in a new expiration date of June 30, 2024.

Rate the frequency and degree of severity of these processes. Have any Corrective Action Plans (CAP's) or probationary notices been issued?

5 4 3 2 1

Comments: The school has not been issued any corrective actions or probationary notices. The school is very proactive and student-centered. There is a very professional environment both with the staff and the board. OCS engaged in a scope of work with the ESCCO on a Data Warehouse in regard to student growth around specific standards. ELA was completed. The school is participating in a FRECKLE assessment pilot with the initial workshop held on 4/29/22. Math assessments will be finalized over the summer.

3. Financial Plan

Rate the degree to which the school performed its obligations noted in the Financial Plan.

5 4 3 2 1

Comments: The March 2022 enrollment at the site visit was 217. The March 2021 FTE was 247.16. The March 2020 FTE was 263.17. This is provided for comparison's sake. The school is looking to add a classroom for the new school year which will increase enrollment. Revenue continues to exceed expenditures for the year and the school maintains a good balance. Enrollment has remained consistent for the year but this is a number that the board and administration are watching.

The school has focused on extended standards alignment and assessment development. All students are on IEP's and overall growth has been demonstrated in academic meetings with the sponsor. A flexibility clause was also approved by both boards allowing for multiple forms of data – site reports, internal assessments, and academic meetings to be included.

Summary of Performance Over Contract Term and Prospects for Renewal: The school

successfully completed the renewal process during the 2018-2019 school year. The ESCCO recently extended all Community School Contracts due to the COVID 19 pandemic and the lack of significant data for a High Stakes Review. The Oakstone Community School contract is now set to expire June 30, 2024. They are on track for successful renewal as long as all processes are successfully completed and continued in the manner that they have been over the past year. A High Stakes Review will occur in the fall of the 2023-2024 school year. All information will be communicated about the renewal process and the ESCCO's policies and procedures is always available on the ESC sponsorship webpage: - <https://www.escco.org/CommunitySchoolSponsorship.aspx>

Note: The school's annual performance report and prospects for renewal will be communicated to and discussed with the school's governing authority at May board meeting. Please post this report on the school's webpage and we will also post on our sponsor webpage.

It is a pleasure to work with Oakstone Community School! Thank You!
