Dear OCS Families,

This letter is to inform you that since you have a child who is in Kindergarten and/or First Grade, he or she will be required to have a vision and hearing screening prior to November 1, 2025. OCS will provide vision and hearing screenings on-site during October, at which time a form will be sent home requesting permission. If you should have any questions or wish to have your child screened privately, you may contact me.
