

Sean Fairweather – graduated 2021

He has a full-time job at Print Pro. He has been there since graduating. He has his license and own vehicle. This might sound terrible, but there was a long time where I wasn't sure any of this was possible. Your staff truly made this possible.

There is nothing I can say or do to say thank you and express my gratitude. You guys' rock!! A couple of my co-workers have children on the spectrum. I have referred them all to you guys!
