Dear Oakstone Community School Parents/ Guardians and Students,

Please be informed that in case of emergencies, Oakstone Community School will notify our families that following ways: RenWeb blast- an automated phone call (cell # listed under parent custody tab), Radio/TV stations (standard channels), School Website (when applicable) and direct phone call from administration (when needed).

In case of a significant emergency, the school has an Emergency Management Plan in place that has been approved by both ODE and the Department of Homeland Security. This plan outlines reunification procedures in such an instance that we would need to relocate our students. These procedures have been attached for your review. If you should have any questions, please feel free to contact Natalie Felty; Principal or Heather Kronewetter, Superintendent for more details.

Sincerely,

Heather Kronewetter
Superintendent
