

Oakstone Community School

Mission

Oakstone Community School promotes the education of students with Autism Spectrum Disorders (ASD) by providing an innovative and individualized program. Focus is on empirically-based curriculums, instructional strategies, and behavior techniques which enable students to develop necessary academic precursor and self-management skills. Along with academics, related services and fine arts, focus is on reducing the impact of the core deficits area. Students learn and work collaboratively within the school community as they develop respect for themselves and others in a school that provides a unique, dynamic, and interactive environment concentrating on the strengths of each students as they gain academic competency and develop personal responsibility. OCS is a family-centered school that believes in the importance of the parent-teacher partnership and high levels of parent involvement in all aspects of the school.
