

Oakstone Community School
Curriculum and Accountability Committee
Meeting Minutes
September 12, 2019

Topic		
1. Move to accept minutes from 4/29/19 & 7/17/19 Corven: Yea, Chapin: Yea, Kronwetter: Yea		
2. Move to Accept 9/12/19 Agenda Corven: Yea, Chapin: Yea, Kronwetter: Yea		
3. Discuss the use of Google Classroom Tools: Full use of Google Classroom will likely be launched at the beginning of 2 nd quarter after all teachers are fully trained. At this point the IXL progress monitoring program has already been purchased and used to help teach students through game playing. It links with google classroom to align standards to specific student's progress. Another tool is a spreadsheet that has been created; it aligns standards to specific chapters in the textbooks used by OCS. Teacher based teams continue to work to review materials and prepare to use google classroom to its fullest potential.		
4. Review 2018-2019 School Report Card: The report card has improved in several areas, the results have been sent to board members, and Heather will enlighten us in more detail at the September board meeting.		
5. Overview of the 2019-2020 school year: The school year is off to a great start, a new student was added even this week. Positives include the addition of google classroom, Melody's continued help in assembling data in ways to aid teachers track learning, a strong curriculum team leader, a strong behavior intervention team, and the SIP being accepted as it was presented.		
Next Meeting Date: October 14, 2019 @ 4:00 Next Meeting Agenda: Update on data gathered from google classroom		

Committee Member Signatures upon Minutes Approval:

Jere Corven 
 Sherry Chapin 
 Heather Kronwetter
